Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

Fewer than three comparable vacant land sales are available due to limited recent sales of similar properties in terms of land size, location, zoning and development potential. The property is relatively unique, and available sales are unsuitable for direct comparison due to significant differences in key characteristics.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
