These are the three most comparable properties to the property for sale that were sold **within five kilometres** of the property for sale **in the last 18 months**.

If there were fewer than three, but one or two, comparable properties, these must be included below.

These properties were used to help determine the estimated selling price.

Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

Fewer than three comparable properties were sold within the relevant period due to the unique nature of 184 Toris Road, Glenlyon, being vacant land with no residential building entitlement. Limited recent sales within the relevant price range offer a similar combination of location, land size, recreational use and building restrictions.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
