Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No directly comparable properties were identified for 3/5–7 Wattle Street, Springvale. The available sales evidence has limited comparability in terms of location, property size, condition and features. Further consideration has therefore been given to nearby sales with similar property characteristics to establish an indicative market value.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
