

## Top 10 Aussie beaches!

This spot is normally reserved for a property market update, but we just had to do some bragging this month instead...

Tourism Australia has released the annual Best Australian Beaches study for 2026, curated by the body's "beach ambassador" and conservationist Brad Farmer AM. The list:

1. Bate Beaches, Bate Bay, NSW
2. Pinky Beach, Rottnest Island, WA
3. Beachcomber Cove, Cape Hillsborough, Queensland
4. Tallow Beach, Byron Bay, NSW
5. Hellfire Bay, Cape Le Grand National Park, WA
6. Godfrey's Beach (The Nut), Stanley, Tasmania
7. Inskip Point, Inskip, Queensland
8. Mount Martha Beach, Mornington Peninsula, Victoria
9. Smoky Bay Beach, Smoky Bay, SA
10. Ellery Creek Big Hole, Northern Territory

The NT's contribution is not a coastal beach but a stunning waterhole found to the west of Alice Springs.

Farmer noted that the 2026 list has a selection of off-the-beaten-track gems that offer authentic experiences and "quiet, soulful spots". "Whether it's the remote allure of Beachcomber Cove or Hellfire Bay, these beaches offer a 'slow-travel' experience," he said. "They are places where you can still hear the wind and the waves rather than the crowds, providing a deep, authentic connection to the land and sea, with many First Nations stories."
