David Gargaro  
DGi Property  
Rouse St, Port Melbourne

Dear David,

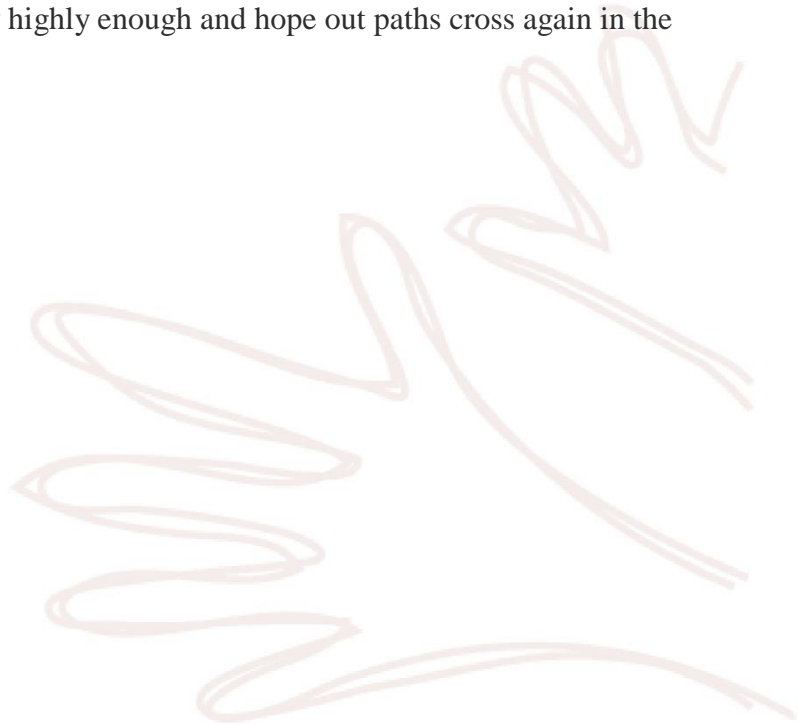

Our recent purchase of a commercial property in the CBD was a huge step for us. Your level of service and professionalism was outstanding during the often difficult and complex process of negotiation and sorting through contracts etc.

Your easy manner ensured this process was thoroughly pleasurable and we are very appreciative of that.

As such, I couldn't recommend you and your company highly enough and hope our paths cross again in the future.

Yours sincerely,

Rohan Armstrong  
Director and Osteopath
