Port Melbourne, VIC 3207

Dear David,

We just wanted to thank you very much for the support and help you gave us in buying an apartment for our daughter in Nott Street, Port Melbourne.

Living 2 hours away and running our own business gave us little time to do all the homework and you did it all for us so well. We spent 2 full days with you looking at properties and you had everything timed so well, that we saw an amazing amount each day.

We told you what we were looking for and you delivered all the relevant properties to us for inspection. You treated our daughter with the same respect you treated us even though we were the buyers.

Since buying the property you have offered to help with little things that have cropped up and we really appreciate that.

Thank you again for such professional service.
