Numbers eased to 415 cattle compared to the sale a fortnight ago, back by 225 head. The normal field of buyers competed in a firm to cheaper market. Yearlings made up most of the penning with Angus feeder steers well supplied.

- Prime young cattle suitable for local butcher type orders were 5-10 c/kg cheaper.
- Light weight Angus feeder steers met very solid demand to sell fully firm reaching a high of 482.2 c/kg. Medium weights 370-440 kg were back 5-6 c/kg & heavier weights 440 to 500 kg 10-12 c/kg cheaper. Other breeds were 15-20 cheaper in places.
- Feeder heifers were similar to the sale a fortnight ago. Full pens sold to better competition to sell 5-6 c/kg dearer.
- Export types were cheaper. Both steers & heifers fell 10-20 c/kg.
- Cows sold to solid demand and finished fully firm to slightly better.
- Bulls sold 10-15 c/kg dearer with high yielding types selling to 300 c/kg.
