Numbers remained similar from a fortnight ago with 635 cattle penned. It was another very good quality yarding with all grades represented. All regular buyers were in attendance and competing.

- Some very good vealers offered met solid demand, selling firm to 5c/kg cheaper.
- Feeder steers saw weaker demand & slipped 5-10c/kg, however the heifer portion finished close to firm.
- Yearling steers/heifers 400kg plus fell 5-10c/kg for the prime condition cattle.
- Heavy export types eased 10-12c/kg for prime stock and more in places if they did not quite have sufficient fat cover.
- Cows sold 5-10c/kg cheaper.
- Bulls gained 20-30 c/kg and topped at 317.2 c/kg.
- Restocker steers slipped slightly
