The last sale for the year saw a smaller yarding of 165 cattle. There were some very good quality vealers & yearlings suitable for the local trade operators. Fair numbers of feeder steers & a smaller offering of export types. Not all the regular buyers were present with some processors already full up prior to the Christmas break. Local trade cattle were in high demand selling firm, however the majority sold 15-20c/kg dearer. Feeder steers were also strong, selling 5-12c/kg dearer, selling to a high of 435.2c/kg for medium weights & 431.2c/kg for 420kg plus. A pen of heavy weight steers sold to 350c/kg, 2-6c/kg cheaper. To few cows to quote. An extra restocking buyer helped keep prices fully firm for suitable types. Bulls 20c/kg cheaper.

The first sale back in the New Year will be held on the 6th January 2021.

Wishing you a very Merry Christmas & a happy/prosperous New Year.
