It was a very good yarding of 840 cattle , up by 180 head. All regular buyers were in attendance and operating in a mostly dearer market. Best prime vealers were not up to the heights of last week and topped at 295 c/kg. Back 10 c/kg. Once again, buyers were very active on feeder cattle. Good numbers of well presented Angus steers sold 10-15 c/kg dearer. Topping at 313.2 c/kg for the lighter end. (which went to backgrounding orders) The majority made 300 to 312 c/kg. They were also active on suitable heifers to feed. A better run of well presented heifers gained 10-15 c/kg. Quality and type a contributing factor. Last weeks price rise on export cattle drew extra numbers this week. Topping at 285.2 c/kg. They sold 5-10c/kg dearer this sale. Mostly export heifers were yarded with only a handful of steers penned. An excellent yarding of cows saw solid competition. Best cows reached 234.6 c/kg up 10-15 c/kg on the best from last sale. Bulls met less competition to be 10-12

c/kg cheaper. Once again , light weight heifers met very limited competition to sell from 150-210 c/kg.
