Numbers remained fairly steady for a yarding of 370 cattle. All regular buyers were present and competing in a fairly steady market. Less numbers of prime trade cattle saw them dearer by 10-15c/kg and topping at 350c/kg. Yearling steers to processing orders were 4-5 c/kg dearer however those destined for feedlots slipped 5-8c/kg. Yearling heifers were very similar to the yearling steers. Dearer to processors cheaper to feedlotters. There were some handy prime cows penned. Prime heavy weights fell 8-10c/kg however good boner medium weights were firm. Once again there were plenty of restocking cattle available. Despite a little rain falling before the sale they met weaker demand and fell 15-20 c/kg. No bulls yarded
