With the big dry & producers wanting to unload before Christmas, numbers continue to roll in. 1340 head drawn for & very little change from the previous weeks penning. Not all buyers were operating causing a cheaper market. Young prime cattle suitable for the processors were scarce & fell 10-15c/kg. Prime yearling steers to processors were close to firm, however the heifer portion fell 10c/kg & up to 15c/kg in places. Light & medium weight feeder steers sold fully firm. An extra order pushed prices up for feeder heifers, 20c/kg in places. Lighter restocking types were fully firm. Light weight restocking steers sold 5-10c/kg dearer for Angus calves selling up to 327.2c/kg. Very few export types sold considerably cheaper. Reduced competition on the cows saw a much weaker trend. A couple of northern processors appear to have sufficient cows around them at the moment. Best heavy cows fell 15-30c/kg. Medium weight boner cows fell 30-40c/kg on average. Bulls also cheaper by 30-40c/kg. Last Sale for the year will be on the 11th of December & first sale back will be the 8th of January.
