After a very hot week & no rain, numbers increased to 420 cattle, up 80 head. It was another good yarding with most cattle showing the positive effects of the recent good feed. A full field of buyers were present & competing. Trade yearlings were firm to slightly dearer. Feeder steers gained 15 - 20c/kg. Feeder heifers firm. Heavy steers/bullocks firm to 3c/kg cheaper. A bigger % of cows this sale & 60 calves. Bulls up by 15c/kg. Plain conditioned medium weight cows slipped 15-20c/kg. Generally making between 170-205c/kg & best finished heavy cows to 237.2c/kg, however the majority traded between 200 - 225c/kg. A good run of splitter calves sold open auction from \$250 to \$70.
