It was another very good quality yarding this sale. Numbers were back to 825 head, down 200 cattle from last week. All regular buyers were in attendance and operating in a fairly steady market. Best vealers and light weight yearlings, suitable for the local trade sold to 304 c/kg. Firm on last week. A very handy penning of yearlings presented with a bit more weight this sale, sold fully firm to slightly dearer rates. Most sales 280-322 c/kg. The heavier end 450kg plus sold to 331.6 c/kg for the steer portion and 320.2 for the heifers. Once again there were good runs of feeders steers penned. They sold firm to slightly cheaper (mostly quality related) for Angus steers, while the Euro x steers sold firm to 5 c/kg dearer. Feeder heifers fully firm. Quality and condition of the cows, wasn't the standard of previous sales. They sold cheaper. Best heavy cows to 228 c/kg, while clean medium weights sold to 215c/kg. Only a handfull of Bulls yarded, they were down 20 c/kg
