After a few recent falls of rain late last week & early this week numbers fell by 450 cattle from the previous week to a small yarding of 250 cattle. The yarding was made up of mainly cows & yearlings in plainer condition, along with a couple of handy pens of bullocks. All buyers competed in a mainly cheaper market. A couple of pens of grain assisted yearlings suitable for the local trade met strong competition topping at 339c/kg, holding last weeks dearer trends. Yearlings steers suitable to feedlotter lost another 15-20c/kg, while the heifer portion fell 20c/kg. Heavy steers/bullocks held their own topping 268c/kg & weighing 617kg returning \$1653. Heavy/medium weight cows took the full brunt falling 20-40c/kg, mainly quality driven. Light conditioned cows under 400kg cheaper by 20c/kg. Bulls also slipped 20c.
