Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

A review of recent land sales in Avondale Heights identified only two transactions within the relevant six-month period. One transaction has no publicly available sale price, while the other involved land improved with two partially constructed dwellings and offered redevelopment potential for multiple dwellings. This differs materially from the subject property, which does not offer the same redevelopment potential. Consequently, fewer than three sufficiently comparable land sales could be identified within the relevant period.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
