Blood	Difficult	Mop up with a mild detergent. Rinse further with cloudy ammonia	If in doubt - Call Stain Busters
Black Sauce	Easy	Mop up with detergent. Ammonia solution can also help	Stain Busters will shift it if you are not able
Dyes	Extremely Difficult	Dry cleaning fluid can assist if attended to quickly; if allowed to dry, it is best to ring Stain Busters	A tough stain we can generally improve, if unable to remove
Cordial	Can be Difficult	If you are to get it out, you must attend to it instantly by diluting it with cold water. Pour on, soak up and keep doing so until no cordial is coming out	Stain Busters remove entirely most cordial stains
Coffee	Medium	Apply a solution of ammonia and soak up, then a solution of white vinegar and soak. Keep alternating until stain has gone.	Stain Busters remove coffee stains every day
Beer	Easy	Apply a solution of dishwashing liquid, then rinse out. Stain should disappear	Stain Busters "GO" stain removal removes most stains
• Gentian Violet • Mercurochrome • Iodine	Extremely Hard	Call Stain Busters	Our slow release Magic Stain Lifter will fix the problem
Fanta	Extremely Hard	Has a very potent food colouring. Unless diluted and soaked up quickly, it is a job for Stain Busters	Call the Clean Line if you don't get to it quickly
Lipstick	Hard	Getting it out quickly before it sets and using drycleaning fluid, you should get most of it out. After it sets, it is very hard to remove	Stain Busters "GO" is good for removing lipstick
Make-up	Some Easy Some Hard	Dry cleaning fluid can get out many make-up stains when fresh. Stain Busters "GO" has removed many make-up stains	If the stains prevail, call Stain Busters for advice
Soft Drink	Medium	Dilute and soak up. If it prevails, use vinegar first then ammonia and alternate until gone or until no more improvement happens	Call Stain Busters to remove if it prevails
Soiling	Easy	This is the build up from dirty feet and footwear. It generally means your carpets need cleaning. To avoid, daily vacuuming with an upright vacuum cleaner is recommended	Ring Stain Busters and book for your carpets to be cleaned
Nail Polish	Hard	Nail Polish Remover should be liberally applied then rinsed out and applied again	Should it prevail, it may need Stain Busting!
Soup	Easy	Attend to immediately and use a solution of dishwashing liquid; rinse out - a good soap can also be used then rinsed out	Stain Busters "GO" is the best
Grease or Oil	Easy	Dry cleaning fluid applied and then rinsed out with the procedure carried out several times until completely removed	Stain Busters get carpets cleaner
Ink or Biro	Extremely Hard	Methylated spirits should remove it entirely if attended to before it dries	A real tough one when dry... we can generally improve
Tea	Easy	Ammonia solution: Soak up then a white vinegar solution. Repeat until removed	An every day stain removal
Paint	Medium to Hard	Mineral turps should be used to dilute; soak up and re-apply until paint is all gone	If mark prevails, call in stain Busters
Rust	Extremely Hard	Lemon juice can remove fresh rust marks	Who you gonna call?
Pot Plant Stains	Easy is Fresh Hard is Old	White vinegar rinse can remove many pot plant stains: If it is an old one, the mildew may have started to rot the carpet	Stain Busters have a special treatment
Red Wine	Medium	Apply salt and allow to dry then use a white vinegar solution: Rinse, then an ammonia solution: keep doing until no further improvement	Stain Busters will save your carpet
Urine	Hard	Stain Busters have a 3 step treatment	Have it <i>Stain Busted!</i>
Vomit	Medium	Depends on the food. Most human vomit will clean up with a detergent mix. Animal vomit of regurgitated worm pills or heavily coloured food can be extremely difficult: Dilute and use dry cleaning fluid	When in doubt, call Stain Busters for advice
Wood Stains	The Worst	Prevention is the key. Put plastic or some other safe material under all wooden legs, such as tables and bookshelves, etc. Once this stain is there, there is nothing you can do, except ring Stain Busters	Most times Stain Busters can improve the appearance and sometimes remove completely
Tomato Sauce	Easy	General rinse with dishwashing liquid or strong soap should remove. If remains, use ammonia, rinse then white vinegar. Repeat if necessary	Stain Busters have built a business on the stains others give up on
Shoe Polish	Medium	Methylated spirits or dry cleaning fluid are your best allies. If allowed to remain, can become very difficult	Stain Busting every carpet needs it from time to time
Fat	Easy	Hot, hot water and a good cloth or sponge for soaking it up	But "GO" off your Stain Buster's man
Wax	Hard	Coloured wax has highly concentrated dye in it. It is best to refer to Stain Busters if you have a wax problem	Stain Busters lead the way in stain removal
Crayon	Hard	Crayon and Textas should be banned from carpeted areas. Methylated spirits or dry cleaning fluid may work	Stain Busters are good and they will even get better
Jam or Jelly	Easy	"GO" does a brilliant job on these stains, otherwise some dishwashing liquid can be used to rinse them out	You spill it, we'll clean it up if you can't
Chocolate	Easy	Dishwashing liquid or a good soap should rinse the chocolate away	Tell your friends about Stain Busters
Mildew	Extremely Hard	Even Stain Busters are tested with mildew! They know antidotes also take out colour. Stain busters have some remedies that often save the day	Stain Busters is THE ANSWER
