

You may be eligible for a NSW Govt Grant of \$2,000 for each new employee you have added in the last 3 years

- ✓ Available to all NSW small businesses who have increased their base number of employees since 1 July 2015 ##.
- ✓ You must have maintained the higher number of total employees for a minimum 12 months.
- ✓ The extra staff can be full-time, part-time or casuals, with a pro-rata of the \$2,000 paid if the extra hours are less than 35 p.w.
- ✓ The Grants are paid after each new employee has reached their 1 year anniversary.
- ✓ There is a detailed registration and application process that needs to be followed.
- ✓ We look after the application process for you for a processing fee that you pay only after you receive the grant.
- ✓ If you have added extra staff just recently you will still qualify once those staff reach their 1 year anniversary date.
